

Arnaldo Castelli

La Ditta Arnaldo Castelli produce dal 1902 accessori da bagno di lusso: l'altissima qualità di esecuzione pone questi oggetti al vertice dell'offerta di complementi d'arredo per la sala da bagno.

La collezione qui presentata è solo un esempio di quelle disponibili presso lo showroom di Milano.

Gli articoli, eseguiti lavorando a mano e cesellando fusioni artistiche in ottone, vengono forniti nelle misure e nella finitura richiesta dal Cliente (ottone lucido, oro, nichel, ecc.).

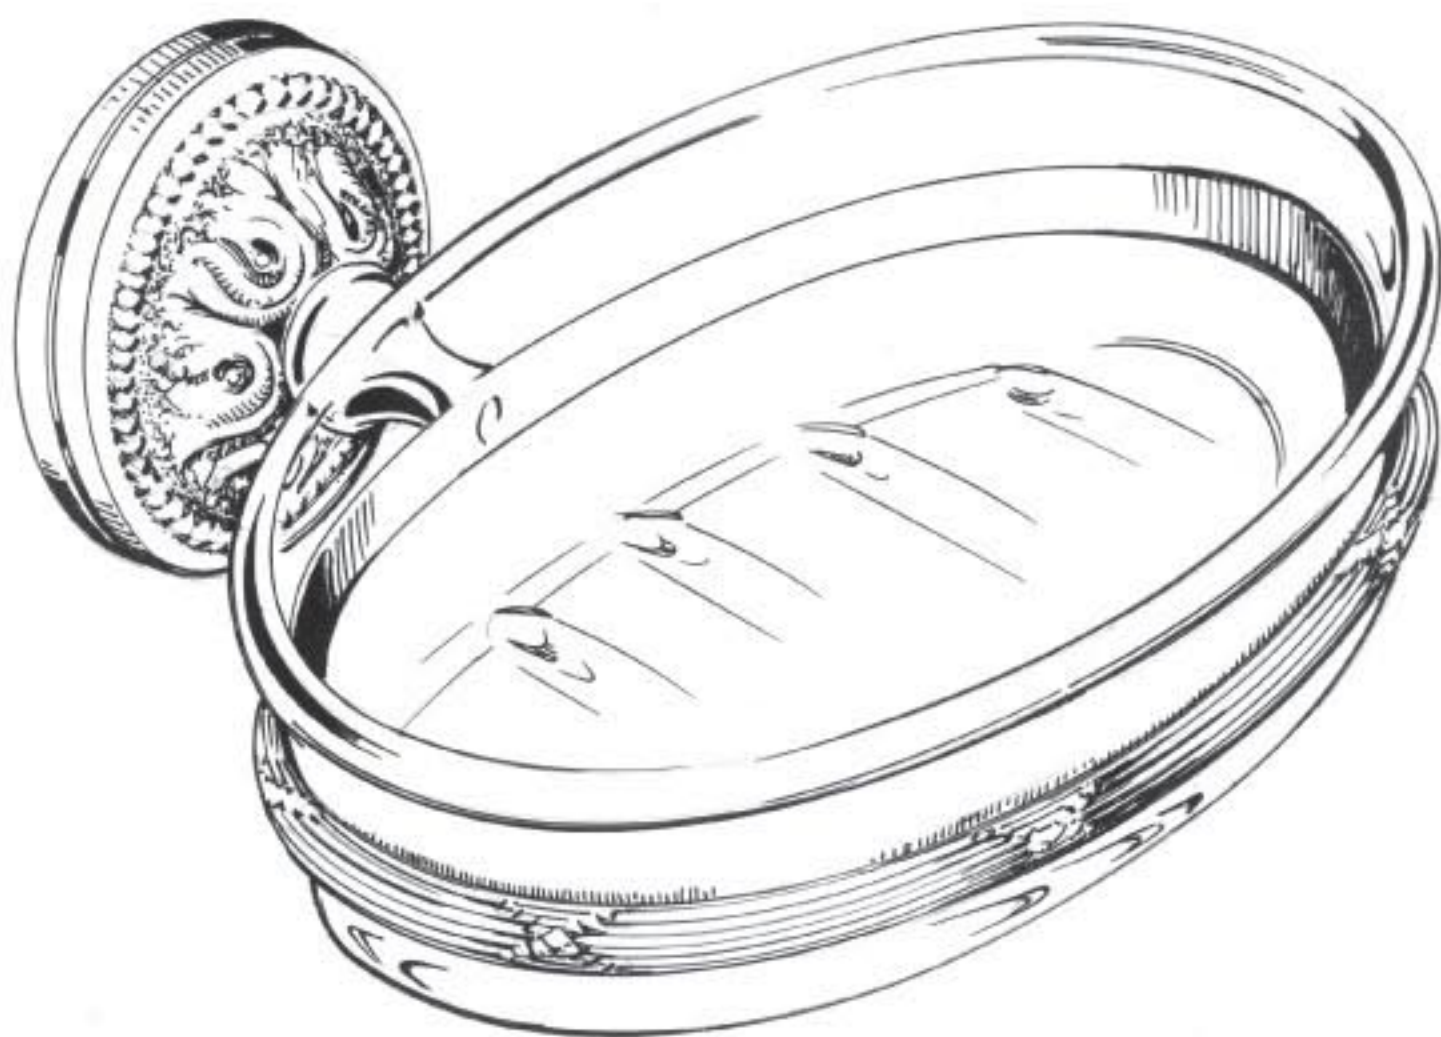

Arnaldo Castelli produces since 1902 luxury bath accessories.

These products, of the highest quality and design, are the best that can be found among others for "la salle de bains".

The collection presented here is just an example of those that can be viewed at our showroom in Milan.

The exclusive lines of bath accessories are all hand made and manufactured engraving artistic brass fusions, according to personal and specific needed dimensions, and finished as of the client's personal requests (polished brass, gold, nickel, etc.).

La Ditta si riserva di modificare o togliere dalla produzione qualunque articolo, senza preavviso.
Our products may be modified or their sale ceased at any time.
